

Calhoun Child Abuse/Neglect Prevention Council Car Seat Grant Applications

The Calhoun CAN Council is accepting grant applications from agencies/organizations that transport children as part of their services provided. The purpose of these grants is to provide car seats to agencies that assist in their transportation needs, and are not for individual families. Your organization will be required to sign an agreement that the car seats will be for agency, not individual family, use

The following car seats are available

- 12 Convertible Car Seats (birth to 40 pounds)
- 2 infant car seats (carrier type)
- 10 Five-point harness/highback booster seats (accommodate a child one year up or 20 lbs+ up to 8 years or 4 ft, 9 inches)
- 1 low back booster

If you have questions, please email Karmel at coordinator@calhounprevention.org or call (269) 962-2562.

Please limit your grant application to 1 page, plus a cover letter.

1. Background:

Briefly describe your organization, its history and a sketch of its current day-to-day operation. Describe the leadership (board, executives), mission, goals, services provided, and geographic area served.

2. Population Served

This is a description of the population you serve. As specifically as possible, identify the people who receive your services.

3. Car Seats Requested

Please describe which car seats would be useful to your organization, which program would be using them, why they are needed, and in which vehicles they would be installed.

4. Insurance

Describe your insurance coverage for transporting clients, and include documentation.

5. Funding sources. Please tell us how this program is funded and its annual budget.

Return completed applications by April 1, 2009
